

I am appalled  
Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
documentary shortly  
before the election.

While I recognize  
that the 'Fairness  
Doctrine' is no  
longer in effect,  
the fact remains  
that the public  
airwaves belong to  
the public, not the  
corporations who  
license them. This  
blatant abuse of the  
public trust to  
advance the  
political agenda of  
a corporation is  
dangerous to  
democracy.

Please take any  
appropriate action  
to stop this abuse  
and please also take  
note of how media  
consolidation has  
made this possible  
in the first place.

Thank you.
